620 Green Valley Rd.
Suite 207
Greensboro, NC 27408

P3 Cost Analysts,

Navis TubeTex appreciates your audit of our utility, waste and telecom accounts. As a textile machinery manufacturer, it is vital to ensure that our operating expenses are accurate and efficient. The audit that you conducted on our accounts uncovered savings opportunities that will add money back to our bottom line, enabling further business growth. We would highly recommend your service to any company concerned with maximizing their profitability.

Sincerely,

A handwritten signature in black ink, appearing to read "W Motchar", followed by a horizontal line extending to the right.
